

SISTER's CHOICE STAR – Block #6

June 2020

Basic method to make 2 HSTs at once:

- Layer 2 squares right sides together.
- Draw a diagonal line from corner to corner on one side
- Sew a scant 1/4" seam on each side of the drawn line
- Cut along the drawn line

Press the blocks open, typically to the dark side.

However, I tend to press these seams open, as they result in less bulk when assembling the blocks. As always, pressing is your choice, and I'm just offering options!
