

## SCRAPPY CHIPS Quilt

May 2023

Potato Chip block Version 1

This block uses 32 units 2" x 3.5"

Finished size in the block is 1.5" x 3"

I made mine scrappy, but there are so many options to play with and no seams to match between the blocks!

Completed block should measure 12.5"

### BORDERS:

Inner side borders – 2 x 2" x 60.5"

Inner top & bottom borders – 2 x 2" x 51.5"

Attach side seams borders then top & bottom borders

Press seams towards the inner borders

Sew together 152 print units with black & white squares

152 x 2" x 3.5" print units

152 x 2" black & white squares

Combine units into borders as follows:

34 for top border

34 for bottom border

42 for left side border

42 for right side border

Make the corners from scrappy print & B&W units – see the picture for placement

Attach corner units to top & bottom borders

Attach side borders, then top & bottom borders

Press seams toward the inner border

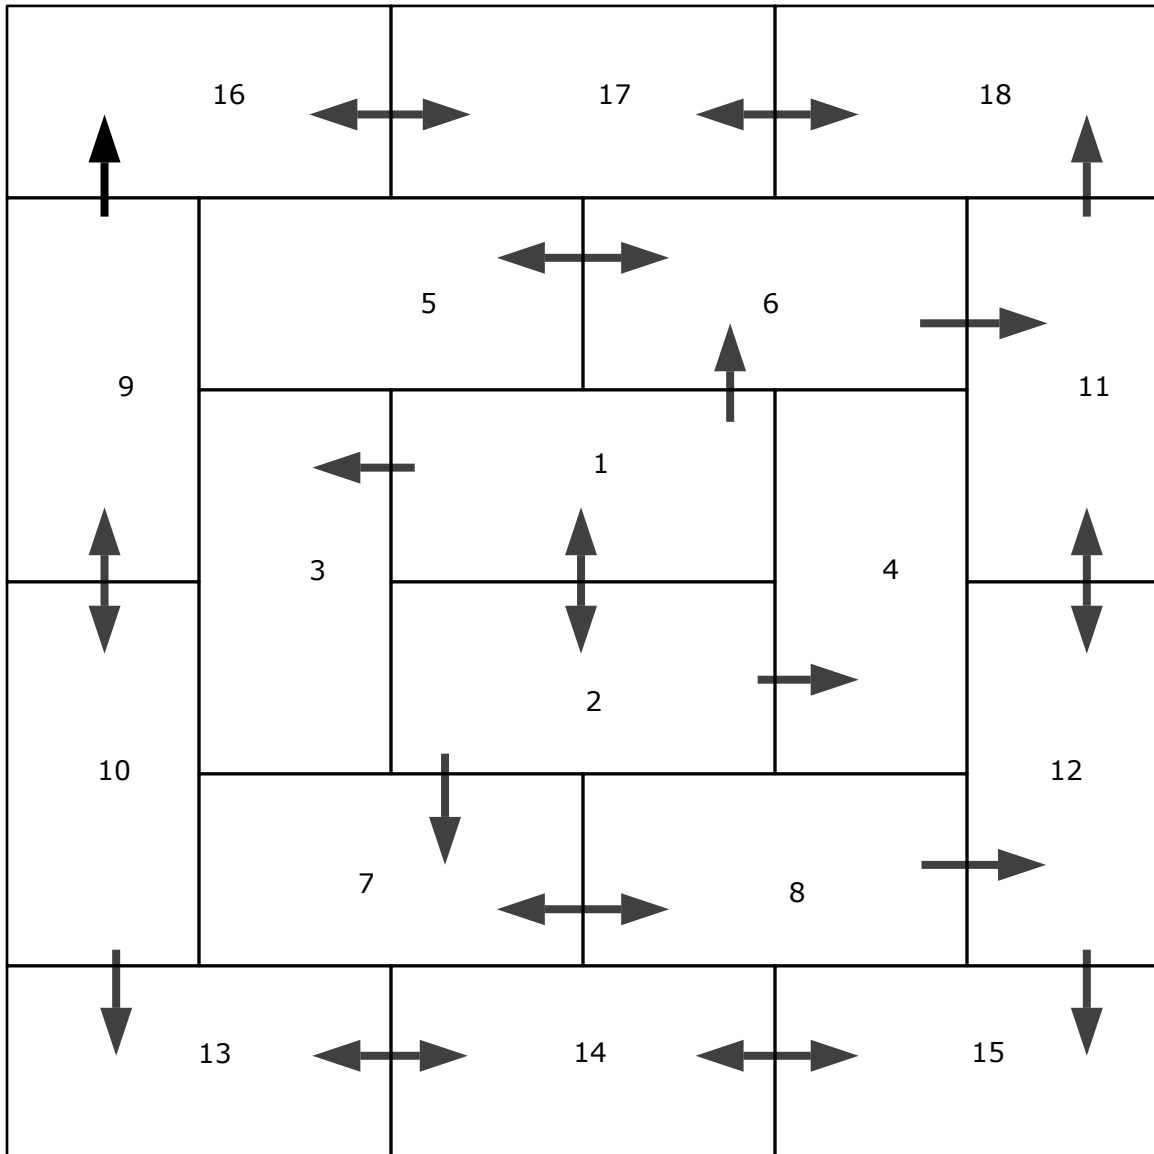

Stay stitch around the edge of the quilt

Quilt top finishes at 60" x 72"

## Potato Chip Block 2

Sew blocks in the order numbered on the diagram below and press in the direction of the arrows. Steps are listed below:

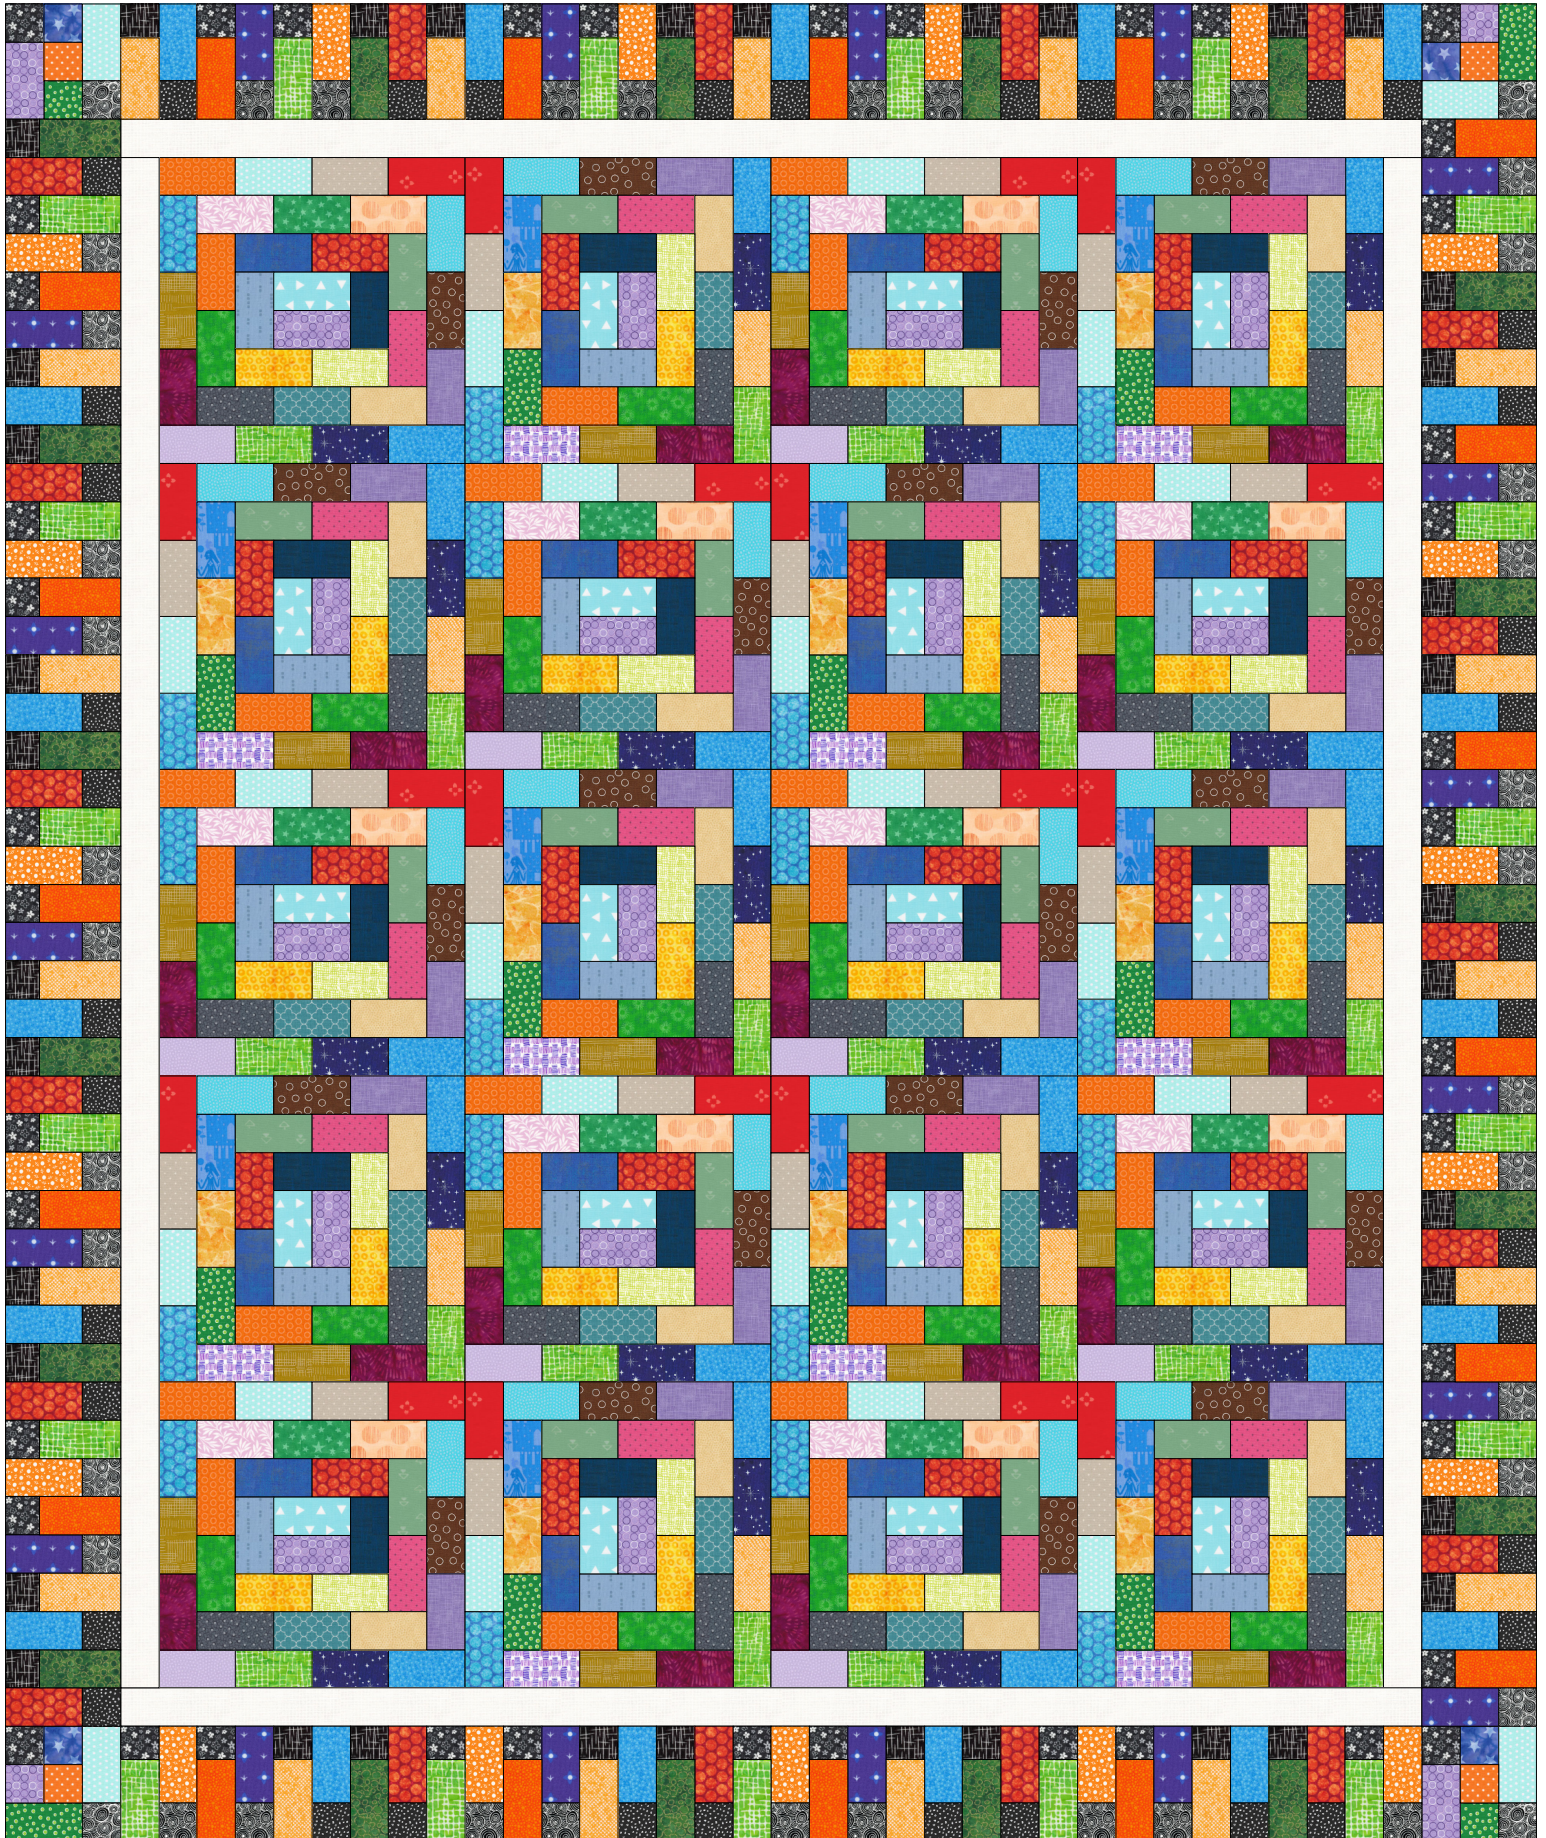

1. Start by sewing together blocks 1 & 2 and press open
2. Add blocks 3 & 4 and press away from center
3. Sew together groups of two blocks: 5+6, 7+8, 9+10, 11+12, press seams open. Add each row of 2 blocks to the rectangle from step 2 and press away from center.
4. Sew together groups of three blocks 13+14+15 and 16+17+18, press seams open. Add each row of 3 blocks to the square from step 3, pressing seams away from center.

# Scrappy Chips

Overall Size: 60.00 by 72.00 inches
